TOCOM to Change “Top 10 Volume by Member”

TOCOM will change the format of the “Top 10 Volume by Member” report as detailed below. The new report intends to maintain market transparency while minimizing any disadvantageous effects to members who are referred to in the report.

1. Change Details

The “Top 10 Volume by Member” report contains information on the members holding the 10 largest trade volumes, along with the name of each member.

Under the new format, trade volumes are totaled for each member, which differs from the current format, where buy and sell transactions are categorized separately.

< Current Format >

Ranking	Sold		Bought	
	Member	Volume	Member	Volume
1	Member A	100	Member A	100
2	Member B	90	Member B	80
3	Member C	80	Member C	75
.
.
10	Member J	65	Member J	60

< New Format >

Ranking	Trade Volume	
Member	Volume	
1	Member A	200
2	Member B	170
3	Member C	155
.	.	.
.	.	.
10	Member J	125

2. Effective Date

The above changes will be effective from the trade date of September 1, 2010.
